RESPONSE TO RESTRICTION REQUIREMENT

United States Patent and Trademark Office
PO BOX 2327
Arlington, VA 22202

Dear Sir:

In response to the Restriction Requirement of July 1, 2002, please enter the following amendments and consider the following remarks.

IN THE CLAIMS:

Please cancel claims 30-48, without prejudice to, or disclaimer of, the subject matter contained therein.

APPLICANT'S ELECTION

Applicants hereby elect, without traverse, to prosecute the claims of Group I, directed to a method of characterizing the biological activity of a target compound, which includes claims 1-29. Applicants have cancelled the claims drawn to the non-elected subject matter, *i.e.*, claims 30-48. Applicants assert that the cancellation of these claims was made solely in response to the election requirement by the Examiner and that such cancellation makes no admission as to the patentability of said claims. Applicants reserve the right to file continuation, divisional, or continuation-in-part applications and pursue the cancelled subject matter.

Appl. No. : 09/804,457
Filed : March 12, 2001

CONCLUSION

Applicants respectfully maintain that claims are patentable and request that they be passed to issue. If a fee is associated with this response, please charge Deposit Account No. 11-1410. Applicants invite the Examiner to call the undersigned if any issues may be resolved through a telephonic conversation.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
